

Young Numismatist's News Letter

Albuquerque Coin Club

Meeting Recap - September 30, 2024

We kicked off our first meeting with a foreign coin hunt. Each member at the meeting was given the chance to receive twenty coins from all over the world. First step in receiving a coin was to select one from the pile of coins on the table. Next step was to try to identify what country the coin was from. The third step was to find the country the coin was from on the world map. The final step was getting to keep the coin.

A quick presentation on the ANA's "Coins for A's Program" was given. Each Young Numismatist was also given a information flyer on how to participate in the program.

Information on the next meeting was discussed. Which will be at the UNM Continuing Education Building on University Street, from 6:00 PM to 6:45 PM. Same day and place as the monthly Albuquerque Coin Club meeting.

At the October meeting there will be a Lincoln Head cent hunt. Each member attending will receive a batch of Lincoln Wheat cents and a Whitman Lincoln Cent Folder to store them in. There will also be a Abraham Lincoln trivia contest with prizes. A Show and Tell session, so bring in a coin from your collection and tell us about it.

Some good news the price of the annual Christmas Dinner has been lowered to fifteen dollars for the Young Numismatist club members.

The picture shows Natalie and Simon hunting for coins at the September meeting.

See you at the next meeting in October. In the mean time, Happy Hunting!
